ABOUT ME

I'm looking for an internship in Computer Science, with the purpose of learning about new technologies and expanding my knowledge in the area.

LANGUAGE

English (Intermediate)
Spanish (Beginner)
Portuguese (Fluent)

SKILLS

Programming languages
- C
- C++
- C#
  - Unity
- Java
- Python
  - Tkinter.py
  - Subprocess.py
  - Django
  - Flask
- Swift
- Dart
  - Flutter
- JavaScript
  - React Native
  - Typescript

Hypertext Markup Language
- HTML
- CSS
- Markdown

Database management system
- MySQL

EXPERIENCE

From Feb, 2023 to Until Now

Scientific initiation project with a focus on the female presence in the field of computing

Pontifícia Universidade Católica de Minas Gerais

From Aug, 2022 to Until Now

Intern in several projects, acting as Full Stack (Web/Mobile) using a Python and React Native

SOFEX

From Feb, 2023 to Jul, 2023

Introduction to intelligent systems tutoring for computer science

Pontifícia Universidade Católica de Minas Gerais

From Jul, 2022 to Dec, 2022

Web Interface Development tutoring for Computer Science

Pontifícia Universidade Católica de Minas Gerais

Fron Oct, 2021 to Jul, 2022

Second level support and fullstack programmer

Regional Electoral Court of Minas Gerais

From Feb, 2022 to Jul, 2022

Introduction to intelligent systems tutoring for computer science and computer engineering

Pontifícia Universidade Católica de Minas Gerais

ACADEMIC EDUCATION

From 2020 to Until Now
Computer Science
Pontifícia Universidade Católica de Minas Gerais - Belo Horizonte

CERTIFICATIONS

2023 • Online Curse - Figma - Knowing interface components

2023 • Online Curse - Figma - Building your mobile website layout
